

Bay Limousine Service

Excellence in Luxury Transportation Since 1990

Phone: (334) 792 8100 | Email: info@baylimousineservice.com

Company Overview

Founded in February 1990, **Bay Limousine Service** has been a trusted provider of premium ground transportation for over three decades. We specialize in executive sedan and SUV services, catering to corporate clients and business professionals who demand comfort, reliability, and discretion. Our commitment to excellence, customer satisfaction, and safety has earned us a sterling reputation in the luxury transportation industry.

Accreditations & Memberships

- **Accredited by the National Limousine Association (NLA) since 1994.**
- **Licensed by the State of Alabama Public Service Commission (APSC)**
- **Brokerage Service for Top Ten National Brokerages**

As a member of the National Limousine Association since 1994, we adhere to the industry's highest standards and best practices. Additionally, we are proud to have provided brokerage services to top-ten national transportation brokers, enhancing our service offering and expanding our reach to a nationwide client base.

Core Capabilities

- **Executive Sedan & SUV Services:**
We specialize in providing high-end executive sedan and SUV services, tailored to meet the specific needs of corporate clients, business executives, and VIPs. Our fleet includes the latest models of luxury sedans and SUVs, ensuring comfort and reliability for every journey.
- **Corporate Solutions & Business Travel:**
We understand the fast-paced demands of corporate life and offer seamless, punctual transportation solutions for meetings, conferences, airport transfers, and other business-related events. Our drivers are highly trained professionals, ensuring a stress-free experience for your top executives and business partners.

- **Brokerage Services:**

As a trusted partner for top-ten national brokerages, we have extensive experience providing high-quality transportation services across the country. Whether it's for a single ride or a complex multi-city itinerary, we can coordinate logistics and deliver exceptional service to corporate clients at scale.

- **Timely Airport & Hotel Transfers:**

We provide reliable, on-time airport transfers to and from all major regional airports. Whether you're arriving or departing, we ensure smooth transitions from airport to hotel or business meeting locations.

- **Event & Special Occasion Transportation:**

In addition to corporate travel, we offer transportation for weddings, gala events, and other special occasions, ensuring your guests travel in comfort and style.

- **Customized Corporate Packages:**

Tailored packages to meet the specific needs of your company or event, including hourly rentals, multi-destination trips, and group transportation solutions.

Certifications & Compliance

- Fully licensed and insured for all forms of corporate transportation.
- Compliant with all federal, state, and local transportation regulations.
- Strong safety record and commitment to maintaining a fleet that meets the highest safety standards.
